Kitchenless Meal Bags
for NOLP clients experiencing homelessness

The Vance North Necessities of Life Program is now offering kits with ready to eat items for clients who are unhoused or cannot properly store or refrigerate their pantry groceries.

Clients can expect an arrangement of:
• Easy open shelf-stable meats
• Heat and serve grains
• Ready-to-eat fruits and vegetables
• Shelf-stable milk and cheese
• A Hygiene or PPE kit (alternating weekly)

For more information on how to receive your meal bag, please call 213.201.1433 or 213.201.1477

This project was supported by funds received from the County of Los Angeles, Department of Public Health, Division of HIV and STD Programs and the U.S Department of Health and Human Services, Health Resources Service Administration.
